# BACK TO SCHOOL

## FIESTA

On behalf of every smiling child, every grateful parent, and all of us at Community by Sanchez, THANK YOU. Because of your generosity, we raised an incredible \$23,000 to support our Back to School Fiesta, surpassing our initial \$15,000 goal. Together, we created a welcoming & festive atmosphere that sets the tone for many Back to School Fiestas to come.

Many of you showed up not just with financial support but also with your time. Whether you helped set up, guided families through supply stations, handed out snacks, assisted at the backpack decorating station, captured memories at our crowd-favorite fiesta backdrop, or stayed late to help clean up, your dedication meant the world.

Over 800 families joined us for the Back to School Fiesta. They left not just with school supplies, but with joy and a strong sense of community. Students are starting the year ready and confident, knowing we're all rooting for them.

At Community by Sanchez, our vision is a connected Austin where opportunity is shared and every individual has access to the tools they need to thrive in school, work, and life. With partners and champions like you, we are building a future where the community rises together. Thank you for being in community with us and for helping build brighter futures.

With Gratitude,
